Clase and Caermawr Community Development and Outreach Worker

Description

Overview:

We are seeking two part-time experienced Outreach Workers to join our team (21 hours per week).

The role involves working closely with the community to provide a comprehensive package of support to individuals and families. The aim is to empower local people to engage and contribute to community life, fostering a stronger sense of community spirit.

The Outreach Workers will help facilitate groups and activities and provide one-on-one support where needed to address barriers preventing individuals from making positive changes.

Responsibilities

Community Engagement-

- Establish strong connections with local communities, community leaders, and grassroots organisations in the Clase and Caermawr area in Swansea.
- Conduct outreach activities to raise awareness about available health and social care services, resources, and support systems.
- Act as a liaison between community members and relevant agencies, ensuring that their voices are heard and their needs are addressed.

Support and Advice-

- Support the Cwtch Training and Community Coordinator in delivering services across our 4 Cwtches.
- Provide practical support and advice to individuals and families to help address issues affecting them.
- Strengthen partnerships with other projects and organisations, referring clients where appropriate.
- Work with individuals to provide the tools needed to help create a more resilient and solution-focused mindset.
- Listen to the wishes of individuals to ensure they have a voice and that support is client-led.
- Carry out an Assessment to gain an understanding of individual needs.

Collaboration and Reporting-

- Strengthen and develop voluntary and community groups to provide better quality services for children and their families.

- Participate in relevant networks and committees focused on addressing inequalities.
- Deliver family support groups and activities during school holidays.
- Work alongside the wider team to deliver services in our Cwtch and in the community.
- Collect data using the Lamplight database system.
- Maintain accurate records of outreach activities.
- Compile regular reports on progress and impact, delivering findings via quarterly reports and at meetings.

Qualifications

Desirable skills-

- Proven experience in a similar role, preferably within the health and social care sector.
- Excellent communication and interpersonal skills.
- Ability to conduct needs assessments and facilitate workshops.
- Experience in data management and reporting.
- Strong organisational and multitasking abilities.
- Commitment to safeguarding and child protection.

Impact: *By providing additional support in the Clase and Caermawr communities, the Community Development and Outreach Worker will help make a tangible difference in the lives of families, addressing inequalities, and empowering individuals to build a brighter future.*
